# Wintech Power Solutions

#### Welcome to Wintech Power Solutions

Since 2012, Wintech power solutions has grown influential supplier and service provider of an extensive array of Industrial Products and Services.

"Our corporate philosophy focuses on developing mutual trust with our customers through adhering to the highest ethical standards & principles"

We contain an element of Spirit, and enterprise of achievement through grit and determination, coupled with a vision and meticulous planning. We have surpassed our competitors with the incandescent success rate, we equipped with highly technical support team to service your equipment and repair needs.

#### Authorized Channel Partners of :

BCH ELECTRIC LIMITED  
we care for you

## Wintech Power Solutions

Head Office : 2/8 Vandalur Walajabath main Road Mannivakkam Junction Chennai-48

Branch Office : 5,Kamarajar Street (opposite to new pachaiyappas), Kanchipuram.

email : [info@wintechpowersolutions.com](mailto:info@wintechpowersolutions.com), Cell : 98841 51765 | 94456 16121

#### Products

- ❖ Mahindra Powerol Generators (5 KVA To 1000 KVA Diesel Generators)
- ❖ Bhartia Cutler Hammer Switch Gears
- ❖ Microtek Inverters
- ❖ Personal Protective Equipment (PPE)
- ❖ Servo Stabilizers
- ❖ Electrical Control Panels (All Type of LT & HT Panels)
- ❖ Solar Systems
- ❖ Pneumatic Items

#### Our Services

- ❖ Servicing of drives – Fanuc, Mitsubishi Siemens, Fuji & ABB, All types of PCB's & SCR's...etc
- ❖ Service & Reconditioning of CNC machines spindles
- ❖ Reconditioning of Ball screw rod , LM Guidways
- ❖ Rewinding of Fanuc Servo motors , Induction Motors
- ❖ CNC Machines trouble shooting & service
- ❖ Reconditioning of CNC Machines - HMC,VMC & HTL
- ❖ Reconditioning of High pressure die-casting machines, & SPM Machines,
- ❖ Servicing Radial drilling machines , Grinding machines , Bandsaw cutting machines
- ❖ Servicing of Hydraulic & Mechanical pressing machines
- ❖ Servicing of Hydraulic & Pneumatic cylinders
- ❖ Servicing of EDM & Wire cutting machines
- ❖ Servicing of Rubber Moulding machines
- ❖ Machinery erection and Installation
- ❖ Power Distribution panels erection & installation

#### Bhartia Cutler Hammer Products (BCH)

- ❖ Motors & Starters
- ❖ MCB ,MCCB & ACB
- ❖ Limit Switches & Sensors
- ❖ Timers, Relays
- ❖ AC & DC Drives
- ❖ Power Cables
- ❖ Enclosures
- ❖ Power Factor panels
- ❖ More Automation Products...

#### Servo Stabilizer

- ❖ Air Cooled (5KVA-60KVA Servo Stabilizer)
- ❖ Oil Cooled (75KVA 200 KVA Servo Stabilizer)
- ❖ Isolation Transformers (Upto 200 KVA)

#### Scope of Material Supply

- ❖ Supply of all electrical accessories - Breakers, Modular switches, proximity sensors, Limit switches, Power supply, Relays, Contactors, Rectifiers, Terminal connectors etc...
- ❖ Supply of SCR , Drives, PLC modules & accessories
- ❖ Supply of hardware materials related industrial requirement such as All types of fittings , Pipes, Channels , Square tubes , all kinds of Fasteners , PVC & UPVC Materials & Fittings , Painting materials , Brushes
- ❖ Manufacturing and supply of all types of Power Distribution Panels
- ❖ Supply of Machinery related spares
- ❖ Bandsaw cutting Blades
- ❖ Supply of Hydraulic Cylinders , Hoses, Valves & Fittings etc...
- ❖ Supply of Pneumatic Cylinders , Hoses , Valves & Fittings etc...
- ❖ Supply of cables , copper flates, Glands,Luggs
- ❖ Supply of Earthing Material
